Suna Migori

Dear Sir/Madam,

RE: Application for ICT Attachment Opportunity

I am writing to express my keen interest in securing an ICT attachment position at Migori county. I am currently pursuing a Bachelor's Degree in Information Technology at Kenyatta University, and I am eager to gain practical experience in a professional setting to complement my academic studies.

Throughout my coursework, I have developed strong foundational knowledge in programming languages such as C, C++, Java, and Python, and I am proficient in working with databases such as MySQL and Neo4j. Additionally, I have received basic training in cybersecurity. My academic background, combined with a genuine interest in technology and public service, positions me well to contribute positively to your ICT department.

I am enthusiastic about the opportunity to learn from your experienced team and to support the vital services Migori county provides. I am available for an interview at your convenience and can be reached via phone or email. Thank you for considering my application.

Yours faithfully,

Motiso Mark
